

# Spread your fertilizer dollars further

**For excellence in fertilizer spreading, look for the Fertcare Accu-Spread symbol from your contractor.**

The **Fertcare Accu-Spread** program certifies the spreading width and uniformity of fertilizer spreaders.

It's your assurance of efficiency, accuracy and optimum productivity.

Accu-Spread

**FERTCARE®**

It also means peace of mind for farmers by minimising risks to the environment.

**Insist on Accu-Spread.**

**Promoting productivity - protecting the environment**
